Election time - how your votes counted

Published on **06/05/2011 19:02**

THURSDAY May 5 saw Sleaford area residents go to the polls to decide both local and national issues.

People were invited to vote for their preferred candidates standing for North and South Kesteven District Councils, as well as the local parish councils of Leasingham, Welbourn, and the Sleaford Town Council wards of Castle, Holdingham, Mareham and Quarrington.

All the ballot papers were counted on Friday at Northgate Sports Hall, which was the scene of a strong showing by the Tories who gained two seats from the independents to have an increased majority control of 27 seats compared to 3 Liberal Democrats and 13 independents.

Returning officer Ian Fytche said it had been a smoothly run election operation with the Alternative Vote system referendum coming out with a resounding 'no' from North Kesteven voters.

The result for North Kesteven was: YES: 7,926; NO: 27,397; rejected papers 156. Turnout: 35,479 - (42.9 per cent).

Around 100 staff worked on the count during the day and over 300 people were involved in the whole operation, including manning the 98 polling stations. "We could not do it without them, we have some fantastic people," Mr Fytche said.

He added there had been a few areas in Sleaford where it appeared people had not received a polling card. The council will be investigating further and taking on board any recommendations.

Brian Watson, who was re-elected to Westholme ward on NKDC, believed it had cost him some votes and he felt sorry for those who had been disadvantaged.

Here is how the results of the local election panned out:
