## Local Election 2011 - Wyre results

*Conservatives celebrate their success*

Published on **Friday 6 May 2011 13:26**

TRIUMPHANT Tories celebrated success after retaining control of Wyre Council.

The count, which took place through the night at the Marine Hall in Fleetwood saw the ruling party retain 40 seats.

But it wasn't all plain sailing for the blues as Labour clawed back seats - mainly in the Fleetwood wards.

Labour took five seats from the Conservatives, two in Rossall, one in Park Ward, one in Cleveleys Park and one in Warren.

Labour took a second seat from the Independents in Warren Ward.

The Conservatives now hold 40 seats on the borough council retaining its majority while Labour must lead an opposition with 14 members – six more than in 2007.

The results for each ward are as follows, the names in bold are the elected councillors (\* denotes sitting councillor):
