And it gives me a chance to tell you that Ind, NPI, None and Ind Rates are all terms for Independents here in Wales (and yes, that does mean that in a number of wards you have Ind vs Ind vs Ind vs Ind vs Ind). I just label them as those in order to give my poor computer a chance when working out % shares.

\* Aled Davies won the by-election in this ward in July 2008 when the Lib Dem councillor resigned. However, he was deselected by Plaid in the run up to the locals and stood as an Independent candidate. According to what I have heard, he will therefore sit on the Independent benches

\* Yes, I lost (and soundly). The last time a Lib Dem stood here was in 2004 (when they managed to insult the

local nursing home when a letter questioning the merits of the residents to vote was leaked to the press) and in that election they polled 23% so I can only assume that I too was hit by the same force that managed to knock out three Lib Dem councillors in the county
